

APRIL NEWSLETTERS

3rd of April

Another week has gone by and you have done so much already 🤝

First of all, we want to thank the Rosso Club for the great success and passion they demonstrate with the RossoHack. It was a great experience for all people that took part in this event, rich in culture and networking! Well done Chiara and Daniel.

Last week we also found 8 other students from College having lunch with two super guests in H-FARM. Lunch Connect is such a great achievement for you and for our guests, a wonderful opportunity to build meaningful relationships for your future!

But we are not stopping here, hey!

Let's start with the Student Clubs and let's see what they are doing for the week:

🎬 The **Movie Night** organized by the girls of NEEK Club takes place at 09.00pm in Rosebud Cinema every Monday - What's on Monday the 4th? A movie called: **Alita** - remember to sign up [here](#) and join them.

🎮 Do not miss NEEK Club Tuesday event for the **Board Games** challenges and **Wii Just Dance** at 10.00pm in BA3 - register for the event [here](#).

😊 Also, the **Impact Club** is organizing many initiatives from now on and they would love to enlarge their community of wonderful people like you - [Join the Club!](#)

🧘 Meet Giosuè Paoletti on Wednesday 6th for the usual **Meditation Night** and recharge your body and beautiful mind! We are all made to shine!

There are few more things **Student Life** is also offering you this week, and it is all organized for you to enjoy your time here. Let's see what happens:

🤸 I bet most of you do not know how to use the **Calisthenics** next to the skate park but no worry at all! An instructor of Show Club will give you free classes every Tuesday from 18.00 to 18.30. Only thing you need to do is.. guess what? Register [here](#) to participate 😊

♻️ For those more sensitive to environmental matters, Student Life is organizing a trip out on the 10th Aprile in Treviso to join the ONLUS Plastic Free for cleaning the streets from the non recyclable rubbish. To facilitate you we have also organized a Shuttle Bus that leaves from H-FARM Campus in the morning (and takes you back). More info [here](#).

🍷 A great news is coming boys and girls - what do you think about hosting a "**MercoleGin**" in Amor on 13th Wednesday night?

*Imagine walking out of your College after the last lesson of the day and hearing a live DJ music coming from far. The closer you get to the exit of the Campus the more you hear the music loud and that's the time you discover.. a DJ playing music outside Amor, people chatting and socializing.. maybe with a sunset mood.. in Amor.. until 01.00am!
And you, let the party start 😎*

We want to involve you in deciding the BEST NAME for the first night we are going to launch on the 13th of April (weather permitting) and for this reason we ask you to click [here](#) and enter your suggestion on how you would like your night in Amor to be called 🎨

Last week we had such a great time together, and the main topic was mostly the **music** 🎵

Indeed, we spent great time together at Amor for the **After Six Party**, but also we have had the opportunity to hear the **playlists** from Leonardo De Azevedo and Federico Madaro around the Campus, two students who came up with new ideas through the following **form**

26th of April

Hello Beautiful People,

Welcome to a new hilarious and rainy week at H-FARM Campus!

For many of you, it's just the calm before the storm as we know you will be facing the last session of exams 2022. Do them well because an amazing Summer is coming 😎

First thing first, last week we had a great opportunity to meet with Carlo Rizzo during a #LunchConnect. Carlo Rizzo is an artist and art curator with a wonderful international spirit. He lives between Dubai and Milan and has artwork exhibited in Chile. Carlo had the opportunity to share his experiences with 4 students from the College during lunch time. It turned out to be a great opportunity for all of them to exchange thoughts, give each other advice, and see life and work from different perspectives.

Thanks Alessandra, Beatrice, Victoria, and Gloria for being a part of this wonderful opportunity!

Let's cut to the chase and see what's happening this week and next for you students

🎓 GMAT COURSE ✨

Do you want to become a successful manager, give vision to a company, create positive change in the world?

Your academic journey will likely include taking a GMAT, the Graduate Management Admission Test, the entrance exam required by most MBA programs. It's a complicated exam in which only 6% of applicants globally score well.

To better prepare you for the GMAT, we have organized a 10-week course with an outstanding international tutor. Click [here](#) to book your seat at the GMAT and check the attachment of this email to gather more information about the course. Obviously, if any question occurs, studentlife@h-farm.com has the answer for you!

CALISTHENICS TUESDAY

The Tuesday Calisthenics is going on every Tuesday for the month of May too. A professional from Show Club is at your disposal to give a free class on how to use the Calisthenics that is right next to the beach volley. Click [here](#) and register for next Tuesday.

MEDITATION WEDNESDAY

We found a great way to do meditation in the Rosebud Cinema and YOU can be our guru this time. Come on Wednesday for the Meditation and propose your app, podcast, video whatever you use for relaxing during a hard exam period. Click [here](#) and enter your name if you want to participate.

VAL D'OCA WINERY TRIP

Student Life has organized for you all a trip to Valdobbiadene, the famous Prosecco land that is located an hour drive from H-FARM.
